We Are Math Specialists.

Mathnasium is a learning center in your neighborhood where kids go to catch up, keep up, and get ahead in math. The Mathnasium Method was developed over 30 years of hands-on instruction.

Mathnasium is Tutoring That Works.

Sophisticated assessments shape a customized learning program for each student. At each lesson, passionate, specially-trained instructors provide one-on-one teaching to ensure success.

Avoid the Summer Slide! Studies have found that on average students lose approximately 2.6 months of grade level skills over the summer months. (Source: Center for Summer Learning, Johns Hopkins University) Our summer programs are designed to give your child an opportunity to **REVIEW** and **MASTER** math concepts and skills. This will give your child a JUMP START to the new school year in a fun, relaxed environment. Weekly camps run Monday-Friday 9am – 12pm.

The traditional Mathnasium year-round program is also available afternoons Monday through Thursday 3-7 and Saturday mornings 9-12.

Summer Programs 2010 - **Now Enrolling!**

Program	Curriculum Focus	Grade (Fall 2010)
Focus on Fractions 6/7 or 7/19	This camp is designed for students going into 4th grade and up. Concepts presented include Drawing and Naming Fractions, Proper Fractions, Improper Fractions, Mixed Numbers, Comparing Fractions, Adding & Subtracting Fractions, and Word Problems with Fractions. Cost: \$225/week.	4,5,6+
Mastering Multiplication 6/14 or 7/26	This camp is designed for students going into 3rd grade and up who want to master their Times Tables. Concepts presented include: Counting in Equal Groups, Multiplication as Repeated Addition, Times Tables and Word Problems Using Multiplication Facts. Cost: \$225/week.	3,4,5+
Math Readiness 6/21 or 7/6	This camp is designed to help young students establish the foundation for their “number sense” through games, crafts, songs and a little written work. Our goal is to develop a positive attitude and an awareness of mathematical principles. Cost: \$195/week.	K, 1
Early Elementary 6/28	This is a camp to reinforce the math concepts of early elementary grades. Concepts presented include: Addition & Subtraction Facts, Money, Time, and Problem Solving. We'll also age appropriate games and activities. Cost: \$195/week.	1,2,3
Cure for Finger Counting 7/12	Is your child still counting on his/her fingers? We've got the cure for it! Learn to count, add and subtract faster, more accurately and with greater numbers. Cost: \$195/week	2,3,4,5,and up
Afternoon Tutoring June & July	The traditional Mathnasium program continues through the summer. Students work with our instructors on a tailor-made curriculum. Unlimited one-hour visits during our afternoon hours Mon thru Thurs 3-7 and Saturday mornings 9-12. Call for pricing.	2-12
